

Quality Capsules for Quality Products

FOR IMMEDIATE RELEASE

March 5, 2012

CapsCanada launches “design your own capsule” app on its website.

CapsCanada announced today the launch of its new online application for existing and/or new customers to design their own capsules.

With the application, customers can:

- custom pick color or color combinations (Pantone color palette available)
- type of capsules (opaque, translucent or metallic looking Platinum[®])
- add printed text such as product or company name
- add product or company logo

The app can be used on any computer as well as any smart mobile device.
