

FOR IMMEDIATE RELEASE

April 27, 2009

CapsCanada[®] acquires two additional (bovine hide) gelatin production facilities.

CapsCanada[®] announced today that it has formally acquired two additional gelatin production facilities in Ecuador and Brazil. The acquisition further consolidates the company's vertically integrated operations with a total of four (bovine hide) gelatin production facilities.

According to the company's Director of Business Development, Gabriel Eilemberg, "*CapsCanada is the only vertically-integrated capsule manufacturer. Vertical integration means a secure long-term supply, better traceability and superior quality*". He added "*we have experienced very strong demand, in part, due to the fact that some of the largest and most prestigious companies prefer bovine gelatin capsules*".
